

# MEDIA APOSTLE INSTITUTE

**2022**

**Catholic Evangelist Training (CET) Certificate Program**

*PCSJ: bringing the Word to the world*

## Form your HEART

Learn the hallmark of great evangelists: conformity to the Heart of Jesus. In this module, you will unearth the secrets of the Sacred Heart and the royal way of Love. Correct lifelong defects in relating and overcome self-defeating habits so you can emerge better than ever and burn as a living flame of love!

## Inform your MIND

Break through to clarity about the most compelling reasons for the HOPE we have in Christ, and develop the confidence you need to successfully articulate the Catholic faith.

## Train your WILL

Get intentional about winning souls for Christ and hone the essential skills you need to lead others to Christ.

## Engage your SPIRIT

Run nimbly in the ways of the spiritual life! Pass swiftly through the rooms of the interior castle to the banquet hall of the King and be set free for freedom in Christ.

## On your mark, get CET . . . GO!

The PCSJ / Media Apostle Institute's **Catholic Evangelist Training (CET) Certificate Program** will help you run the race for which you were uniquely made. You will realize the purpose, mission, and meaning of your life. You will discover the wings God has given you to soar to new heights of clarity, confidence, and compassion in the faith. And then you will venture out into a new and bold life lived all for Christ and souls.

Learn how to crack the code of kerygma confusion and the secret to attracting souls to Christ. Hone the attitudes, perspectives, and skills you need to share the faith naturally and powerfully, and become so attractive to unbelievers that they will be begging you to tell them the reason for the hope you have in Christ.

### **12 MONTHS, 4 MODULES, 1 FOCUS: FINDING THE WAY OF CHRIST**

Participants will move through four 90-day modules of formation with a uniquely Alberionian approach to the message, meaning, and manifestation of the Gospel in modern times. With Saint Paul as guide, CET program trainees will emerge as the front runners of Catholic lay evangelization efforts as they fulfill their baptismal call to holiness by drawing family members, friends, and acquaintances back to the Father in Christ by the power of the Holy Spirit.

PCSJ Founder and Executive Director Lisa Tuggle is the Principal Trainer for **Catholic Evangelist Training (CET)** Certificate Program.

Mrs. Tuggle is a consecrated and perpetually professed member of the Holy Family Institute, a secular institute of consecrated life aggregated to the Society of Saint Paul and affiliated with the ten branches of the Pauline Family founded by Blessed James Alberione, SSP.

Lisa holds a Bachelor of Arts in Great Books from the University of Notre Dame and a Master of Arts in Theology and Christian Ministry from Franciscan University in Steubenville, Ohio. After 20+ years as a performing arts educator and over a decade of service as a youth minister and Director of Religious Education, she is dedicating the "second half" of her life to global catechesis initiatives while teaching at her local parish and enjoying family, friends, and the simple life on a farm in East Tennessee.

## FR. ALBERIONE'S WORDS OF WISDOM

"Zeal is the perfume of love. Apostolic persons love God above all things; therefore, they want, seek, and procure God's glory" (*Mary, Queen of Apostles*, 145).

"Apostles must possess knowledge and sanctity, but their most characteristic virtue is zeal. Zeal divorced from knowledge and sanctity, however, cannot save anyone" (*Novissimi*, 238-239).

"The apostolate is a penance that is constructive for you and for others" (*Calendario Paolino*, 15 Oct 1959).

*Blessed Alberione,  
pray for us!*
